SUMMARY

I am Maria Stefanescu, I am 20 years old and I am currently a student at Karel de Grote University of Applied Sciences and Arts enrolled in the course Multimedia and Creative Technololgies. I am really passionate about photography, editing pictures and videos as well as fashion and nature.

EDUCATION

MULTIMEDIA AND CREATIVE TECHNOLOGIES *(2023- present)*

Karel de Grote Hogeschool, Antwerpen

Developing a solid foundation in diverse Media, Business, Marketing, Innovation and Culture.

MATHEMATICS AND COMPUTER SCIENCE *(2019- 2023)*

Dimitrie Cantemir National College, Onesti

Graduated with a high-school diploma highlighting the mathematics, physics and english advanced courses that were followed

VOLUNTEERING

Kinderboerderij Wilrijk *(March 2024 - September 2024), Antwerpen*

Animal caretaker

Being part of the team of Children's Petting Farm for 6 months by volunteering as an animal care-taker was an amazing experience. I worked directly with animals, making sure they have proper conditions to live in as well as working with kids, teaching them interactive games and personal development.

River Cleanup *1 hour, Antwerpen*

In 2024 I had the occasion to be part of one of the projects "River Cleanup" organized in Belgium, Antwerp. In just one hour the team succeeded to collect over 10 kilograms of waste in the streets. This activity taught me skills such as: environment awareness, problem-solving through hands-on cleanup work and teamwork.

Ambassador of Cantemir *20 hours, Bacau*

Within Dimitrie Cantemir National College Onesti I had the post of ambassador, which meant being one of the team organizing school events, marketing and representing the school in extracurricular activities, being part of the Open Days Cantemir team and also part of the Student Council Cantemir. After this experience my leadership skills, problem solving skills, marketing and social skills improved substantially.

By giving, you will gain *16 hours, Bacau*

Completed 16 hours following the project “By giving, you will gain” organized by the Mediation Council, where my school team managed to collect over 20 kilograms of goods such as food or clothes that are not used anymore. This project strengthened my civic education and helped me cultivate more cultural and moral values.

A Christmas Joy *12 hours, Bacau*

A Christmas Joy was a project organized by Dimitrie Cantemir National College Onesti in which me and my colleagues managed to collect and presents for the kids in our city that were not as privileged as us, making a better Christmas for them. The skills I gained out of this project are organizational and planning skills, empathy and social awareness, proactivity.

Cantemir Competitions Gala *6 hours, Bacau*

Cantemir Competition Gala was an award ceremony organized by Dimitrie Cantemir National College Onesti in which I took part for 6 hours. I worked in the organization of the event, reaching out to the nominated students, participant teachers and sponsors, as well as decorating the place where the event took place. After this project my social skills, organizational skills and time management improved considerably.
